Functionality	Dual dispensing option with 3-hole sprinkler and single hole pourer in screw cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDN 225

Model Name	Indus 225 ml
Dimensions	5.5 cm Dia x 13.4 cm H
Product Description	Round PET jar with standard screw cap
Functionality	Standard screw cap closures for bottles and jars
Applicability	Widely used for storing and dispensing whole spices. Caps available in all standard colours

Model Name	Indus 225 ml
Dimensions	5.5 cm Dia x 13.4 cm H
Product Description	Round PET jar with standard screw cap
Functionality	Standard screw cap closures for bottles and jars
Applicability	Widely used for storing and dispensing whole spices. Caps available in all standard colours

INDFT 250

Model Name	Indus 250 ml
Dimensions	6 cm Dia x 11 cm H
Product Description	Round PET jar with 5-hole sprinkler and single hole pourer cap
Functionality	Dual dispensing option with 5-hole sprinkler and single hole pourer in screw cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

Model Name	Indus 250 ml
Dimensions	6 cm Dia x 11 cm H
Product Description	Round PET jar with 5-hole sprinkler and single hole pourer cap
Functionality	Dual dispensing option with 5-hole sprinkler and single hole pourer in screw cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

PET Jars

INDN 250

Model Name	Indus 250 ml
Dimensions	6 cm Dia x 11 cm H
Product Description	Round PET jar with standard screw cap
Functionality	Standard screw cap closures for bottles and jars
Applicability	Widely used for storing and dispensing Whole spices. Caps available in all standard colours

INDFT 260

Model Name	Indus 260 ml
Dimensions	5.5 cm Dia x 13 cm H
Product Description	Round PET jar with 3-hole sprinkler and single hole pourer cap
Functionality	Dual dispensing option with 3-hole sprinkler and single hole pourer in screw cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDN 260

Model Name	Indus 260 ml
Dimensions	5.5 cm Dia x 13 cm H
Product Description	Round PET jar with standard screw cap
Functionality	Standard screw cap closures for bottles and jars
Applicability	Widely used for storing and dispensing whole spices. Caps available in all standard colours

INDFT 265

Model Name	Indus 265 ml
Dimensions	6.1 cm Dia x 14.2 cm H
Product Description	Round PET jar with 12-hole sprinkler
Functionality	Single dispensing option with 12-hole sprinkler in screw cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDFT 300

Model Name	Indus 300 ml
Dimensions	6.1 cm Dia X 11.9 cm H
Product Description	Straight-sided, round PET jar with 5-hole sprinkler and single hole pourer cap
Functionality	Dual dispensing option with 5-hole sprinkler and single hole pourer in cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDN 300

Model Name	Indus 300 ml
Dimensions	6.1 cm Dia x 11.9 cm H
Product Description	Standard Screw cap
Functionality	Standard screw cap closures for bottles and jars
Applicability	Widely used for storing and dispensing whole spices. Caps available in all standard colours

INDFTSS 500

Model Name	Indus 500 ml
Dimensions	7.5 cm L x 7.5 cm W x 11.6 cm H
Product Description	Square PET jar with 13 small hole sprinkler and single hole pourer cap
Functionality	Dual dispensing option with 13-hole sprinkler and single hole pourer in cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDFT 520

Model Name	Indus 520 ml
Dimensions	8 cm L x 6.6 cm W x 14.3 cm H
Product Description	Oval PET jar with 5-hole sprinkler and single hole pourer cap
Functionality	Dual dispensing option with 5-hole sprinkler and single hole pourer in screw cap
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDN 520

Model Name	Indus 520 ml
Dimensions	8 cm L x 6.6 cm W x 14.3 cm H
Product Description	Oval PET jar with standard screw cap
Functionality	Standard screw cap closures for bottles and jars
Applicability	Widely used for storing and dispensing small quantities of ground spice and seasonings. Caps available in all standard colours

INDN 690

Model Name	Indus 690ml
Dimensions	6.65 cm Dia x 21.5 cm H
Product Description	Round PET jar with variant sprinkler and single hole pourer cap
Functionality	Dual Dispensing option with 13-hole sprinkler, 7 large hole sprinkler, 7 small hole sprinkler, 5-hole sprinkler and single hole pourer in screw cap
